**3<sup>rd</sup> Grade**

*Creative Storytelling shares information.*

Why Mosquitoes Buzz in People's ears

-Discussion of oral tradition, why repetition was used in this storytelling form

A Story A Story

-About how stories were given to the world

*Voices in the Park*

-Creative storytelling so that we are given four different perspectives on the same story and reflect how/why each character sees the events differently.

**4<sup>th</sup> Grade**

*Decisions Promote or Deny Justice. Immigration (previous unit)*

Ellis Island: An Interactive History Adventure (You Choose)

-Class voted on the characters in the book we follow and the decisions that they make. These characters/decisions involved social systems and class roles.

Explored how making a different decision would produce a different outcome.
